## CUSTOMIZED DELICIOUS CHOCOLATES

The possibilities are endless with our customizable chocolates. Personalizing your product optimizes fundraising potential and often doubles the amount of sales. Including your organizations name, photo, or logo will raise awareness for your organization and help people feel connected to your cause. With the added personalized touch, our chocolates are the sweetest way to fundraise and bring a smile to your community

## BROCHURES MAKE SELLING EASY

We work with you and your organization to create product brochures at no extra cost. Our brochures make selling your chocolates easy with visual pictures of each item and descriptions of your customized products.

## CONSUMERS CHOOSE FOOD FIRST

When making fundraising purchases consumers are choosing food first. But here at Confection360, we take it one step further by offering delicious AND customizable chocolates for any fundraiser. Our fundraising program features delicious premium chocolate in three different options that can be customized for schools, churches, or even a local fun raising event.

## HOW DOES IT WORK?

Our in-house graphic designers make the chocolate and packaging customization process easy. Simply submit a logo, image(s) and organization name you would like on your product to our design team. Once our designers have your approval, we do the rest! All you need to do is sit back and wait for your customized fundraiser chocolates to arrive.
